# ART OF NUDES WORKSHOP

Put a top photographer together with a top model in a superb venue and you know you're in for a good day.

Join John and Camilla on the 2nd October 2011 for a day you won't forget.

John Denton is a Fellow of the Society of Wedding and Portrait Photography and works across Europe on Fashion and Art Nude Commissions.

Camilla-Rose Helley is a rising star in the world of Art Nude modelling. She will demonstrate her full range of pose and talk about how direction can be delivered to get the most from your models.

Together John and Camilla will work through a range of techniques for styling, posing and lighting the contemporary and classic nude images. You will use ambient light, speedlights, other light sources and Elinchrom Quadras to create a portfolio of fantastic imagery.

John will also demonstrate the Lightroom and Photoshop techniques he uses to develop his images.
